2. The farmers who have raised paddy crops in the Union territory of Puducherry are eligible for the back-ended investment subsidy @ ₹ 3,000/hectare during the financial year 2007 and 2008 and @ ₹ 4,000/hectare from the financial year 2009 onwards under the said component.

3. This issues with the concurrence of the Finance Department *vide* their U.O. No. 12288/FD/F5/A2/2010, dated 12-10-2010.

**V. MANICKASAMY,**  
Under Secretary to Government  
(Agriculture and Forest).

**Guidelines for extending back-ended investment subsidy at the rate of ₹ 4,000/hectare to the owners/tenant cultivators in the Union territory of Puducherry for raising paddy crop**

*I. Introduction:—* Paddy is the major food crop in the Union territory of Puducherry with an average gross cultivated area of about 22,500 hectare annually, in the Union territory of Puducherry. Major cultivable areas in Puducherry and Karaikal regions are only wet land and paddy is the only crop highly suited for the inundated lowlying areas.

At present, paddy cultivating farmers in Puducherry, Karaikal and Yanam regions are facing many problems starting from nursery raising, crop cultivation, harvesting and marketing due to various reasons like non-availability of agricultural labourers, escalating labourer and input cost, natural calamities, *etc.*, This deters the farmers from practising their occupation and creates a negativity towards farming. Hence, it is the responsibility of the Agricultural Department, Government of Puducherry to motivate the farmers to do farming and sustain their interest by implementing various farming oriented assistance measures.

As one of such measure, up to June 2006, the paddy cultivating farmers were given an incentive of ₹ 50 per quintal while marketing their harvested produce through the Market Committees. Depending on the yield, which varies from 4 to 5 tonnes/hectare, they were able to get an incentive of ₹ 2,000 to 2,500/hectare. But this incentive attracted the farmers from the adjoining Tamil Nadu area also. As such, the major portion of the incentive paid through Market Committees were drained to the Tamil Nadu/Andhra Pradesh farmers and only a small portion of farmers of Union territory of Puducherry got benefited. Hence, the incentive scheme operated by the Agricultural Department, Puducherry through the respective Market Committees was withdrawn and in that place, a new scheme called Back-ended Investment Subsidy to the Paddy Growers of Union territory of Puducherry @ ₹ 3,000/hectare was proposed based on the assurances given by the Hon'ble Agricultural Minister and Hon'ble Chief Minister of Government of Puducherry in the Floor of the Assembly.

Accordingly, the new scheme was implemented by the Department of Agriculture, Government of Puducherry from the year 2007 onwards. The scheme was in operation from the year 2007, with the subsidy amount of ₹ 3,000/hectare and it was enhanced to ₹ 4,000/hectare from the year 2009 onwards as per the assurance given by the Hon'ble Chief Minister in the Floor of the Assembly and also it was included in the approved Action Plan 2009-10 and 2010-11. However, the *modus operandi* was not formulated so far and the need for the approved guidelines from the Government is sought for by the Finance Department, Government of Puducherry during March 2009.

Considering the above fact, it has been decided by the Department of Agriculture, Government of Puducherry to include this as component namely, "Extending Back-ended Investment Subsidy" to the owners/tenant cultivators of Union territory of Puducherry for raising paddy crops under the scheme "Crop Production Technology".

*II. Objectives.*— The objectives of this component are—

- (a) to encourage the farmers for taking up paddy cultivation.
- (b) to increase the area under paddy crop and improve the production potentials.
- (c) to provide monetary assistance for the paddy growers comprising both owners and tenant cultivators of Puducherry, Karaikal and Yanam regions.

*III. Scale of financial assistance.*— ₹ 3,000/hectare of paddy crop raised during the financial years 2007 and 2008 and ₹ 4,000/hectare from the financial year 2009 onwards.

*IV. Eligibility criteria.*— (1) Paddy crops grown in Puducherry, Karaikal and Yanam regions as per the recommendation of the Department of Agriculture, Puducherry alone will be taken into consideration.

(2) Owner/tenant cultivators having the documentary evidence/proof of land record/new farmers identity card issued by the Office of the Additional Director of Agriculture (Training and Visiting), Thattanchavady, Puducherry/the Additional Director of Agriculture, Karaikal/the Deputy Director of Agriculture, Yanam alone will be considered.

(3) The extent to which the paddy crop raised alone will be taken into consideration and there is no maximum and minimum limit for this subsidy.

(4) The rate of subsidy is same for the owners as well as tenant cultivators of farming community.

*V. Enrolment of beneficiary.*— The Department of Agriculture will make publicity through Mass Media and Uzhavar Udhaviyagams and create awareness among the farmers about this component of back-ended investment subsidy. To avail this subsidy, the farmers in Puducherry, Karaikal and Yanam regions would be advised to get the prescribed application forms from their respective Uzhavar Udhaviyagams and further advised to submit the duly filled in application in the concerned Uzhavar Udhaviyagams. The Agricultural Officer concerned would prepare a list of beneficiaries after exercising proper verification and would submit such list to the Office of the Additional Director of Agriculture (Training and Visiting), Thattanchavady, Puducherry/the Additional Director of Agriculture, Karaikal/the Deputy Director of Agriculture, Yanam through the respective Deputy Director of Agriculture and Joint Director of Agriculture.

*VI. Mode of disbursement of the back-ended investment subsidy.*— The guidelines for disbursement of back-ended investment subsidy to the paddy growers after publishing the list of beneficiaries for social audit for a period of one week in the respective Uzhavar Udhaviyagam are as follows:

(i) The Directorate of Accounts and Treasuries, Puducherry/the Deputy Director of Accounts and Treasuries, Karaikal and the Deputy Director of Accounts and Treasuries, Yanam will issue a self cheque in favour of Drawing and Disbursing Officer, Office of the Additional Director of Agriculture (Training and Visiting), Puducherry/Office of the Additional Director of Agriculture, Karaikal/Office of the Deputy Director of Agriculture, Yanam who in turn will deposit the amounts in the account of the Additional Director of Agriculture (Training and Visiting), Puducherry/the Additional Director of Agriculture, Karaikal to be opened in a nationalised bank/Lead Bank. (ii) The bank will be advised to transfer the amount to the eligible farmers who have account in the banks which have core banking facilities through Electronic Clearing System (ECS) along with the list of beneficiary farmers.

(iii) In respect of other beneficiaries, the concerned authorised officer/Deputy Director of Agriculture will release the amount to the concerned Co-operative/ Rural Bank by way of crossed cheque along with the list of beneficiary farmers with their bank account details through Indian Bank. In turn the Co-operative /Rural Bank will credit the subsidy amount to the respective farmers account.

(iv) After crediting, the banks shall send the statement of disbursement to the Additional Director of Agriculture (Training and Visiting), Puducherry/the Additional Director of Agriculture, Karaikal/the Deputy Director of Agriculture, Yanam for record, which will be submitted by the Drawing and Disbursing Officer concerned to the Directorate of Accounts and Treasuries, Puducherry/the Deputy Director of Accounts and Treasuries, Karaikal and the Deputy Director of Accounts and Treasuries, Yanam towards rendering of accounts.

(v) Further, in case of those farmers whose eligible subsidy amount is less than ₹ 500 on their request, the amount may be released through open cheque by the concerned Disbursing Officer.

(vi) Any future claims/discrepancies should be examined by the authorised Deputy Director of Agriculture in consultation with the Joint Director of Agriculture (Training and Visiting) and ascertain about the genuineness of the claim and settle it with

the approval of the Additional Director of Agriculture (Training and Visiting), Puducherry/the Additional Director of Agriculture, Karaikal/the Deputy Director of Agriculture, Yanam.

(vii) The department should ensure that the subsidy is credited to the beneficiaries account by the concerned banks and collect the disbursement details immediately and render adjustment to the Directorate of Accounts and Treasuries, Puducherry/the Deputy Director of Accounts and Treasuries, Karaikal/the Deputy Director of Accounts and Treasuries, Yanam.

*VII. Competent authority.*— The Secretary (Agriculture) shall be the competent authority for making any modification if required in this schematic guidelines.
